How did you hear about Switchback? Please tick the box that applies:		
Post		Inside Times

Friend / Family		Prison TV / Radio
Prison / Probation staff (state name)		Other - please state:

WHY DO YOU THINK SWITCHBACK COULD BE HELPFUL FOR YOU?

For a lot of the men we have worked with, Switchback has been a way of figuring out what they want. You don't need to know *exactly* what this is, you just need to know that you want **to take control and live life differently**. That is our starting point.

Maybe the questions below can help you to think about this.

- What are you most excited about after your release?
- What do you see as challenges upon release?
- What do you want to change or do differently?

We know writing isn't for everyone, so write as much or as little as you feel able to.
